'Education should help you use and develop your talents and abilities. It should also help you learn to live peacefully, protect the environment and respect other people.'

Dear Parents/Carers,

We would like to offer an extended Afterschool club provision at Vauxhall, but first want to gauge your interest.

This afterschool programme is designed to provide a safe and engaging environment for students beyond regular school hours. It will include a variety of activities such as arts and crafts, sports, and homework support.

Our aim is to offer a balanced mix of educational and recreational activities that cater to different interests.

We believe this initiative will be beneficial for both students and parents by offering a structured and supportive environment after school.

Please complete the google form below to indicate your interest. For us to provide this service we would need to have enough interest in the programme. Once you have completed this form, we will inform you of the next stage.

Thank you for your continued support.

Yours sincerely
