Re: Chelsea Football Competition Winners

Dear Parents and Guardians,

We are thrilled to inform you of an exciting opportunity for our students! Our school has been invited to visit the Chelsea Football Club Training Ground, where students will experience a memorable day filled with unique activities.

On this special day, students will enjoy a lunch provided at the training ground, followed by some exciting, football-themed activities, including the chance to meet a secret professional footballer! This is a wonderful opportunity for students to gain insights into the world of professional football and to engage in activities that foster teamwork and enthusiasm for sports.

Trip Details:

Date: Monday 25th November 2024

Transportation: Students will be transported to and from the training ground by a private coach provided by Chelsea Football Club, ensuring their safety and comfort.

Return Time: Please note that due to the distance there and back, students will arrive back at school later than usual. We will send further information closer to the date with an estimated return time, but anticipate that your children will be back at school at approximately 5pm.

Parent Permission & Allergy Information: To participate, we kindly ask that you complete the attached permission slip and provide any relevant allergy or dietary information for your child. It's important that we are aware of any medical or allergy considerations to ensure a safe and enjoyable experience for all. **If we do not receive this information back, your child will not be able to attend.**

Behavioural Expectations: As this is a unique, external opportunity, we must maintain high behavioural standards. We reserve the right to keep students at school if their behaviour does not align with the expectations we uphold. This policy ensures a safe, respectful environment for all participants.

We are excited to offer this incredible opportunity and look forward to a memorable day with our students!

Thanks for your continued support.

Mr Thomas McQuillan
Year 2 Teacher and Maths and PE Lead
