Article 29

'Education should help you use and develop your talents and abilities. It should also help you learn to live peacefully, protect the environment and respect other people.'

Friday 7th February, 2025

Dear parents

Important Update: Coding Club – New Day & Exciting Additions!

I hope this letter finds you well. We would like to inform you that from **Spring Term 2**, our **Coding Club** will now take place on **Thursdays instead of Mondays**. This change will take effect from **the week beginning 24th February, 2025**.

In addition to this schedule change, we are thrilled to announce that **Robotics** will now be included in Coding Club! Pupils will have the opportunity to develop their programming skills further while exploring robotics, problem-solving, and hands-on activities that bring coding to life.

If your child is already enrolled in Coding Club, their place will automatically carry over to the new day. If you have any questions or if your child can no longer attend on Thursdays, please inform the office as soon as possible.

We look forward to seeing our pupils engage in this exciting new aspect of the club!

Yours sincerely

Mrs. Henry- Edwards

Deputy headteacher
