## Article 29

*'Education should help you use and develop your talents and abilities. It should also help you learn to live peacefully, protect the environment and respect other people.'*

Monday 10th June, 2024

Dear Parents,

We are pleased to invite you to a special coffee morning, focusing on Contextual Safeguarding, **on Tuesday 18th June at 9:00 am**. The session will be facilitated by Safer Youth, Lambeth Council's Contextual Safeguarding Service.

Contextual Safeguarding is an approach that recognises the importance of understanding the context in which children grow and develop. It considers factors beyond the home, such as school, neighbourhood and online world and how they influence a child's safety and well-being.

The aims of the session are to:

- To help you understand how Contextual safeguarding impacts your child's safety
- Explore ways to access support and address concerns
- Engage in discussions and ask questions about how we can collectively ensure the safety and well-being of our students.
- Meet and network with other parents and guardians to share experiences and concerns

Thanks for your continued support and we look forward to seeing you there.

Yours sincerely  
Mrs Vanessa Henry-Edwards  
Deputy Headteacher
