Article 29

'Education should help you use and develop your talents and abilities. It should also help you learn to live peacefully, protect the environment and respect other people.'

7th January 2025

Dear Parents/Carers

We want to inform you that a case of head lice has been reported in your child's class.

To help prevent further spread, we kindly ask all parents to check their children's hair thoroughly and treat it as necessary. Health guidelines recommend checking children's hair regularly, ideally once a week, as a proactive measure.

By working together and following these guidelines, we can minimise the spread of head lice and maintain a healthy environment for all. For further information and advice on how to check and treat head lice, please visit the following link: [NHS Guidance](#) or consult your local pharmacist.

Thank you for your cooperation.

Yours sincerely,

Miss Vanessa Bennett

Headteacher

For and on behalf of the Wyvern Federation
