'Education should help you use and develop your talents and abilities. It should also help you learn to live peacefully, protect the environment and respect other people.'

30th October 2023

Dear Parents and Carers,

We are delighted to announce that following our Inclusion Quality Mark (IQM) assessment on the 12th October 2023, as a Centre of Excellence, we continue to hold Flagship School status.

The Inclusion Quality Mark Award is a nationally recognised validation of our exceptional inclusion arrangements and our ongoing commitment to developing educational inclusion. It bases its framework around three core areas; the individual pupil, the family and community and the staff. The award focuses on equal opportunities for all pupils and ensuring that the learning, achievements, attitudes and well-being of every young person matters.

We are extremely proud of this fantastic achievement and would like to thank Ms Coombs and Ms Darteh for the hard work they put in to prepare for the assessment.

IQM inspector Andrew Murning said in his inspection report:

"It is clear from discussions with all stakeholders that inclusion of all pupils is a non negotiable in the school. There is an openness to change and a culture of sharing and support within Vauxhall Primary with the drive to meet the needs of each 'unique' child."

"Developing student confidence and independence is a key aspect of the work being undertaken at Vauxhall. During the course of the day and through all meetings the language observed was that of empowerment and expectation for the children themselves to lead on their conflict resolution and emotional regulation".

The full report is on our school website.

Many thanks for your continued support.

Your sincerely

VBennett
