Dear Parents and Carers,

Re: Studybugs – Report Absences Securely and Support Children's Health.

We're excited to announce that Vauxhall Primary School is introducing Studybugs, a secure and efficient new system for reporting your child's absence due to illness.

Top 3 Reasons to Use Studybugs:

- **Real-Time Notifications:** Studybugs integrates seamlessly with our school systems, so we're immediately informed if your child is absent.
- **Easy to Use:** Registering is quick, and the app conveniently reminds you to keep us updated.
- **Supporting Health Initiatives:** Your reports can help the NHS and other public health organisations track and improve children's health across the UK.

If you haven't done so already, please download the free [Studybugs app or register](https://studybugs.com/about/parents) on their website (<https://studybugs.com/about/parents>). Going forward, use Studybugs to report when your child is ill and unable to attend school.

Thank you for helping us keep our school community informed and healthy.

Yours sincerely,

Miss Vanessa Bennett
