## Article 29

*'Education should help you use and develop your talents and abilities. It should also help you learn to live peacefully, protect the environment and respect other people.'*

Monday 10<sup>th</sup> March 2025

Dear Parents/Carers,

We are excited to announce a special **Science Dress-Up Day** as part of our Science Week celebrations! This fun-filled day will not only celebrate science but also help us raise money for two very important causes.

We are raising funds to purchase **new science equipment** to support hands-on learning and inspire our young scientists. Additionally, we are fundraising to help us build a **community memorial garden** in our small playground area. This garden will provide a **quiet and tranquil space** where children can remember those they have lost and honour those who have lived in, helped, or supported our school community. The memorial garden is also part of our Tower of London Superbloom project, bringing beauty and nature to our school environment.

On the day, children can come to school dressed as either a **caveman**, a **futuristic person**, or a **crazy scientist**. Children are welcome to wear their newly designed lab coats! We kindly ask for a **£1 donation** to support our fundraising efforts.

Thank you for your continued support in helping us create a meaningful space for our children while enhancing their science learning experiences.

If you have any questions, please don't hesitate to get in touch.

Kind regards,

Miss Edwin

Year 3 Class Teacher  
Science Lead
