Article 29

'Education should help you use and develop your talents and abilities. It should also help you learn to live peacefully, protect the environment and respect other people.'

Friday 15th November 2024

Dear Parents and Carers,

For2feet will be visiting School on **21st November 2024** to provide Pedestrian Skills Training for children in Year 3.

Children that participate in this training will learn essential road safety skills that will make them safer pedestrians. Training will be provided in groups with experienced instructors. Each group will receive one 45-minute training session on the pavements around our school. A member of school staff will also accompany the training. The training reminds the children of Stop, Look, Listen and includes:

- Finding a safe place to cross the road
- The correct use of pedestrian crossings such as zebra/pelican/island that are close to the school
- How to cross at junctions and near parked cars
- The importance of wearing bright clothing
- The dangers of cars reversing from driveways, across the pavement.
- The dangers of being distracted such as wearing headphones or using a mobile phone.

Please complete the consent form attached to allow your child to take part in this valuable training and return it to school.

Thank you for your continued support.
